Re: MB Docket No. 04-233

Dear Ms. Dortch:

Adventures For Wish Kids is a 501 (c) (3) organization with chapters in Cincinnati, Columbus, Dayton and Cleveland. Our mission is to enrich the lives of children with life threatening illnesses and their families by providing year round, fun-filled group activities and destination events, fostering joy, laughter, normalcy and supportive networking opportunities. All of our adventures are geared toward the whole family, including the siblings, so no one is excluded.

We accomplish this mission through the dedication of our volunteer network and the generosity of our donors, providing them with the opportunity to enrich their own lives as they ease the lives of our Adventure families. Today, we serve over 528 brave children in Cincinnati alone and our numbers continue to grow.

It is our belief that the whole family suffers with the illness. Our overall goal is to provide fun-filled supportive group activities for these hurting families, so that if only for a short time, they can forget the everyday pain and suffering. I thank you for your consideration.

Adventures For Wish Kids began a working relationship with Bonneville International - Cincinnati approximately one year ago and we have developed a close bond with their employees. Everyone from the on air personalities, to the sales force, to the behind the scenes personnel have been a tremendous help to the Adventures For Wish Kids Family.

Bonneville International – Cincinnati has been a solid supporter of Adventures For Wish Kids and the many kids we serve. Whether through PSA's, on air interviews or participation in one of our annual events, all of Bonneville's Cincinnati stations have advanced the mission of Adventures For Wish Kids and provided laughter and lasting memories for so many families throughout the Greater Cincinnati Region.

Adventures For Wish Kids is better positioned moving forward as a result of the opportunities afforded by Bonneville International – Cincinnati.

On behalf of Adventures For Wish Kids, our Board of Directors and our volunteers, I thank you for the tremendous impact you continue to have on the Greater Cincinnati Region.

Sincerely,
